Young People: Public Accountability Meeting

Youth Offending Services

North Yorkshire Youth Commission

NYP Children & Young Person Strategy Summary

Youth Offending Services Overview

North Yorkshire Youth Justice Service (YJS)

- Youth Outcomes Panel (YOP) - YJS, YOT & NYP
 - Specialist YJS resources to develop & facilitate
 - Assess young people & provide appropriate interventions to divert away from youth justice system
 - Meet the needs of victims
- Restorative Practice approach, including Restorative Justice & Victim Engagement
- First Time Entrants (FTEs) = 2,195/100k (April 17–March 18)
 - 60% reduction in 24 months ending 31/12/18
- Re-offending* (3-month reporting) = 46.1%, rate of 7.22 per re-offender (July-Sep 16)

Youth Offending Services Overview

York Youth Offending Team (YOT)

- Identify, track, monitor & develop more focused, timely, multi-agency interventions for Reoffending Cohort, including YOP referees
- Implement YJB re-offending 'live tracker' toolkit, to inform strategy & case management processes
- Implement monthly multi-agency re-offending panels, support joined up approach to reducing re-offending through focussed interventions
- FTE = 393/100k (12-month rolling reporting period, improvement on previous recording period)
- Re-offending (3-month reporting) = 13%, rate of 3.15 per re-offender (1 prolific offender)

Youth Outcomes Panel (YOP)

- YJS, YOT & North Yorkshire Police (Inspector Chair)
- **Purpose:**
 - Ensure young people have **correct threshold, proportionality and appropriateness** applied to decision-making & where appropriate, children & young people are dealt with **outside criminal justice system (CJS)**
- **Aims:**
 - Support multi-agency approach to prevention of further/re-offending
 - Support diversion from criminal justice system & reduce FTE's
 - Enable restorative approaches with victims
 - Divert young people into services to address causes of offending behaviour
 - Ensure appropriate outcomes for disadvantaged young people e.g. LAC
- **May 17- June 18:**
 - 29 panels delivered; 48% intervention outcomes outside CJS

Youth Outcomes Panel (YOP): Process

- **Offence* committed & admitted:**
 - Gravity assessed by OIC for YOP referral suitability (Gravity score 1-3)
 - YJS / YOT undertake screening, including multi-agency previous & current involvement check, & Police review Niche information
- **Fortnightly Senior Panel - Operational Manager, Inspector led:**
 - Offence summary, PENY 145, Youth Gravity Matrix, MG5 summary, victim statement screened & used to inform discussion
 - Decision made following discussion
- **Panel Outcomes:**
 - Range = No Further Action to Charge & include CRD's, DAR's avoiding CJS
 - Appropriate intervention / referral for all actioned outcomes
 - 1st Youth Caution – multi agency response via Prevention, YJS or CSC
 - Second or subsequent Youth Caution = YJS / YOT assessment & support
 - Youth Conditional Caution = YJS / YOT assessment & support

Youth Outcomes Panel (YOP): Impact

May 17-June 18:

- 29 YOPs - 100% attendance, all agencies
- 315 offence referrals re. 273 young people:
 - 67% = Males, 33% = Females, 23% = Aged 15
 - 22% = Scarborough (Scarborough =13% 10-17 population)
 - 28% = York (York = 22% 10-17 population)
 - LAC = 17% of cases (23% North Yorkshire)
 - 117/315 offences (37%) related to Violent offences
 - 48% outcomes dealt with outside CJS, intervention or support referral
 - 46% = Community Resolution Disposal (CRD)
 - 3% (9 cases) = No Further Action
 - 26% = Youth Conditional Caution
 - Reduction in FTE for North Yorkshire & York
- Victim feedback included in all referrals

North Yorkshire Youth Commission (NYYC)

- **Provider:** Leaders Unlocked
- **Service:** Management of Youth Commission, delivery of peer-research projects, embedding of recommendations
- **Purpose:** Enables young people to support, challenge and inform the work of the Police & Crime Commissioner and North Yorkshire Police around the NYYPs self-selected six priorities:
 - Mental Health & Vulnerable Young People
 - Abusive Relationships
 - Hate Crime
 - Relationship between Young People, Police & Authorities
 - Drug & Alcohol Abuse
 - Missing Young People and Exploitation
- NYYP comprises 30-35 diverse young people, aged 14-25, from across NY

NYYC: 2016-18 Impact

- Recruited, trained & supported **35 young** Youth Commission members
- Identified 6 key priorities with young people from across the county
- Engaged views of over **4,000 young people** aged 14-25 through 'Big Conversation' peer-research projects
- Shared recommendations via 2 multi-agency conferences
- Produced **7 short films** to raise awareness amongst young people
- Continued to actively inform & influence work of NYP, PCC & partners:
 - Led **6 groups with key NYP leads &** partners to inform work & practice
 - Influenced changes made to **Stop & Search** form
 - Involved in '**Connect**' project NYP mental health awareness training
 - Involved in development & launch of **Misogyny** as a Hate Crime
 - Informed development of **NYP Children & Young People's Strategy**
 - Participated in **NYP work experience, Women in Policing, PCSO & Neighbourhood Policing Conferences**
 - Actively involved in delivery/monitoring of NYP, PCC & partner actions

NYP Children & Young Person Strategy 2018 - 2020

- New Strategy launched January 2018
- Developed in collaboration with North Yorkshire Youth Commission (NYYC) & contains a foreword from them
- Based on National Strategy, NYYC priorities*, Police & Crime Plan
- Promotes force wide focus on developing, promoting & embedding key areas of work to support Young People
- Helps put Young People's opinions at the centre of development work relating to them
- Delivery Plan priorities informed by NYYC recommendations
- Delivery Plan identifies NYP lead responsible for each area of Strategy
- Regular monitoring & review in place with leads & NYCC
- Joint work between NYP, PCC & NYYC
