NORTH YORKSHIRE FIRE AND RESCUE PRIORTIES

Julia Mulligan, your Police, Fire and Crime Commissioner, is responsible for producing a Fire and Rescue Plan setting out the priorities for North Yorkshire Fire and Rescue Service over the next two years. She will use this as the basis on which she holds the Fire and Rescue Service to account.

Please read each priority area and tell us how important you think it is.

Priority Area: Caring about the Vulnerable

Our aim: to have an in depth understanding of how to reach and protect the most vulnerable people in our community. Prevention activities will help reduce vulnerability to fire and enhance safety from a range of health and well-being risks, signposting people to appropriate specialist services.

Priority Area: Ambitious Collaboration

Our aim: to explore and maximise opportunities to work with other emergency services and partners and to provide a more effective, efficient and proactive community safety service. We will seek for example, to share intelligence and information, buildings, procurement and training.

Priority Area: Making Best Use of Our Resources

Our aim: to equip our people with the technology, skills, capacity, training and personal support to prevent and respond to incidents. We will focus on diversity and inclusivity within the workforce, creating a fair and equal place to work.
